

New!

Boardwalk's total floor care system delivers an impressive clean at a price that shines!

Choose the brand you can depend on for clean, well-maintained floors that reflect well on your business and your bottom line.

Boardwalk's integrated four-stage system packs a powerful punch to strip, seal, polish and clean a wide range of floor types: rubber, asphalt tile, vinyl, vinyl composition, sealed concrete, terrazzo and no-wax vinyl.

Economical specially-formulated concentrates perform key tasks and work together as a total solution for consistent, professional results.
